

GRANIZADO

SUPER NARROW VERTICAL INTEGRAL CABINET

GRANIZADO

SUPER NARROW VERTICAL INTEGRAL CABINET

Benefits & Specifications:

- Self-contained unit on top.
- Condense water management by water pump with floating
- Equipped with Desuperheater to evaporate the condense water
- Specifically designed for cold beverages
- User-friendly
- Small footprint with compact design
- Easy access and ergonomic design
- Efficient in energy consumption
- Low operating costs
- Wide range of future refrigerant options

Dimensions (mm):

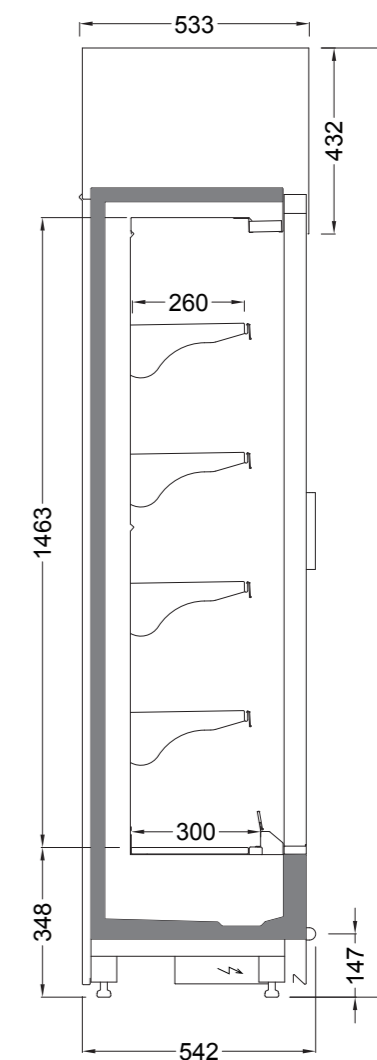

Height : 2205
 Length : 1200
 Depth : 542
